The Anatomy of Indian Partition

About the author

Dr. Gangadhar Potanna Aaklod belongs to Atkur, a small village in Dharmabad taluka of Nanded District, Maharashtra. He has been working as an Assistant Professor, Department of English, Swami Ramanand Teerth Mahavidyalaya, Ambajogai, Dist. Beed. He has presented and published fifteen research papers in reputed national and international journals. He participated in many national, international Seminars, Conferences and Workshops. He received his Ph.D. from Swami Ramanand Teerth Marathwada University Nanded.

About the book

It is more than seventy years span after the Indian partition, still it has immense effect on the minds of the people. This book shows how the novelists tried to explore the theme of partition and how they reflected the trauma of the sad history of the subcontinent. It describes the political and historical background of the partition of India and how the Indians fought for the independence that simultaneously brought the partition. The book is about the sufferings of the partition and its consequences. It takes us to the dark history and make us to think about it and avoid these mistakes in the future for the betterment of the subcontinent.
